organisation

DTSER is a preeminent professional association with a primary focus on elevating the competencies of professionals working with individuals with disabilities. Our mission encompasses empowering every individual, particularly those with special needs, to achieve their full potential through specialized educational, rehabilitational, and therapeutic programs.

Our Vision

DTSER is dedicated to fostering a society that values diversity and promotes equal opportunities. Our vision extends beyond providing support to individuals with disabilities, focusing also on enhancing the skills and knowledge of professionals in special education and rehabilitation. We strive to be leaders in developing and implementing innovative educational and therapeutic approaches.

Professional Development and Expertise

Central to DTSER's mission is our commitment to professional development. We offer ongoing training, workshops, and seminars to educators, therapists, and rehabilitation professionals, ensuring they are equipped with cutting-edge methodologies and technological advancements in the field. This focus on professional growth ensures our members are well-prepared to meet the diverse needs of individuals with disabilities.
